THE PASTOR'S PARAGRAPHS

“Who Needs Revival?”

How would you answer that question? My immediate answer, with no hesitation, is ...”I do!”

Perhaps you would be just as quick to answer and with the same response. Truth be told, we all need Revival and God is willing! The results will be reflected in OUR willingness.

Some pre-requisites to Revival are:

- Positive praying
- Knee bending confession
- Faithful attendance
- Enthusiastic response

Let’s all expect great things from God.
